Dear Colleague:

This letter confirms that you have been reinstated as a certified IACP drug recognition expert. Attached is your new DRE card which signifies that you have met all requirements of Section V of the national standards of the IACP's Drug Evaluation and Classification Program.

Under the IACP standards, your DRE certification is valid for a period of two years. Your state coordinator will be notified of the need to reapply for recertification six months prior to the expiration date printed on your card.

State and local DRE coordinators should have copies of the document entitled "The IACP International Standards for the Drug Evaluation and Classification Program." You should read this document carefully if you have any questions regarding the IACP standards or the administration of the program. If you have any questions regarding the IACP DRE Certification Program, please contact your DRE state coordinator.

Sincerely,

Carolyn Cockroft  
Program Manager
